

We are registered in the packaging register under number DE3044413976975. We do not conclude any contracts with consumers or private households within the meaning of the Packaging Act. Overall, our packaging is not subject to system participation within the meaning of §§ 3 Para. 8, 7 of the Packaging Act, as it is:

- transport packaging,
- sales and outer packaging that typically does not end up as waste after use by private end users,
- sales and outer packaging for which system participation is not possible due to system incompatibility according to § 7 paragraph 5 or
- sales packaging of hazardous filling goods or
- reusable packaging

We take back used, completely emptied packaging or packaging that we have placed on the market in the same number, type, shape and size as the packaging that we have placed on the market in accordance with Section 15 of the Packaging Act free of charge and recycle it in the within the meaning of Section 16 (5) VerpackG. In the contracts for the delivery of our products, we provide the following deviations from the legal regulations:

- the place of return is our company headquarters.
- the customer bears the costs of transport to the company headquarters.
- if the packaging is incompatible with the system in accordance with Section 7 (5) VerpackG, or because the packaging contained hazardous substances, the person entitled to return the goods must hand them in to a central acceptance point at their own expense, if there is an acceptance point within a reasonable distance from the registered office of the person entitled to return, or our company headquarters and is accessible during our normal business hours.
